The lockbox instructions will be sent the day of for the security of current guests.

If you choose to check in after 6pm please note resolving issues may be more difficult and a resolution may not be made until the following day dependent on the situation.

On site guest issues can be addressed by calling our office line and leaving a message. Someone will get back to you and can arrange to have your home looked at.

ADVENTURE AWAITS

PARKING

If you have more than one vehicle, please park the additional vehicle in the office parking lot. Each home is allotted one car parking spot in front of each home.

TOURS

Tours are held at 12pm and 1pm daily and are by appointment.

Tours are complimentary when scheduled by our overnight guests, however tours must be scheduled in advance due to availability.

THE COMMUNITY

Community areas are for everyone's use and consequently we ask that you refrain from outdoor noise after 10pm.

Each community area has a propane fire pit, wood burning fire pit and a grill. There are also outdoor yard games in these areas (ladder golf, corn hole and jenga).

Please do not make s'mores on the propane fire pits as they clog the lines needed for the propane. The wood burning fire pits are great for s'mores!

AMENITIES

Things to bring: We have two community hot tubs on site so don't forget your bathing suit! There is a Kmart less than a minute down the street if you forget yours. Every house has a coffee machine that uses k-cups or coffee grounds. We have k-cups for sale in the Tiny Estates office although we do not sell cream or sugar. Giant and Weis grocery stores are one minute down the street if you want to purchase coffee grounds and or groceries.

The homes also have hotel style soaps, bed linens, towels, pots/ pans, dishes and utensils.
