NEXT STEPS...

If anything feels unclear, I'd be happy to hop on a quick phone call to answer any questions and walk through any details with you.

If you feel we may be a good fit, the next step is to complete our inquiry form on our website so we can begin the booking process.

We work on a first-come, first-served basis. Once we receive your inquiry and send your custom proposal, we will place a complimentary 7-day soft hold on your date. If you need additional time to make your decision, just let us know and we'll be happy to extend the hold before it expires.

Should you decide to move in a different direction, we would greatly appreciate a quick note letting us know. This allows us to release your requested date and prevents you from receiving any unnecessary follow-up emails.

Please note that a soft hold does not guarantee your date. Your event date is only officially reserved once your service agreement has been signed and the retainer has been received.
