

GREETINGS & APPRECIATION FROM TANZANIA

I am very grateful from the bottom of my heart, to thank you for your support and cooperation for the Past year 2024. I feel happy and grateful to thank you again and again, because without you, the great work done here successfully would not have been possible.

As we begin this New Year, we ask that do not get tired of continuing your support. We continue with construction of the vocational Training Building and Projects; which should be finished by 31 March 2025, and officially opened before Easter 2025. The Building will have Tailoring classes, Computer training, a warehouse to store donated Christian materials, disabled equipment, Pastors offices, cafeteria, Stationary, soft drink shop and Orphanage hall.

The estimated cost is \$ 25,000 and so far we have reached a quarter of all work. We invite you to help at any amount by using western, Union, money gram, or if you need Bank to Bank transfer we can provide with Bank details.

Thank you for your willingness and cooperation.
