Hello Chris,

First of all I, would like to inform you that were very saddened to hear that you're Mother passed away, may God continue to comfort you, on this side we continue praying for you.

THE PURPOSE OF THIS BRIEF IS AS FOLLOWS:

We have continued with the construction of Life Skills Training Center (Building) and we have reached a good step towards the stage of roofing, The remaining work is as follows.

Installing doors, Windows, Plastering, Marble, Paint and furniture.

We hope that when you arrive this year. You will officially launch this beautiful building for Income generating projects.

I have sent a picture so you can see. We still need \$ 3,000 for the rest of the above mentioned work. We therefore still need your help so we can complete.

Thank you and happy New Year.
