NOTE!!!!

Some of you may be thinking that this notice has been in for a few months now and you would be right!! But we are still looking for HELP!! We can fit you in to agree with what is happening in your busy life!! DO WHAT YOU CAN!!!

Evan is looking at setting up a team of people to help out at lunches during the week from 11:30 till 1:30PM. It has been really busy and impossible for the bar tender to keep up so people such as Dennis (Dennis works midnights and should be sleeping) have jumped in at the last minute to help out. If we can get a number of volunteers a schedule can be worked out in order to spread out the time for all involved. Your help is appreciated.

Don't be shy - it is not very hard work and we can use people of all abilities - you do not have to be a cook!!!!

Thanks Evan

DISTRICT DEPUTIES REPORT

Brothers:

Brother's first I would like to wish everyone a Happy Easter.

Well April is here and that means convention time and this year it is

being held in Niagara Falls. Let's hope the change in venue will be a great experience for all - I can't wait.

Election season is here and I know it is a tough decision to run or not to, but I can speak from experience it is only a couple hours a month and you can make your experience in the Knight's of Columbus more fulfilling and you get to help people in need, as Charity is the first thing we are taught when we joined. So please consider running for an Executive position in your Council

Thank you and God Bless

Vivant Jesus!

Knights of Columbus
INSURANCE

Making a difference for life.

April 30th, the Tax Day, is not till the end of this month, but it's not too early to plan. It's a time when most of us

focus on the income we've made....and how much of that we have to hand over to the government. Nobody's happy about that. And nobody's happy about all the complicated tax laws and regulations. I heard a suggestion once that the T1 form could be simplified and reduced to just two questions and a statement:

How much did you earn last year?

How much do you have left?

Send it in.

Seriously, now is a good time to take stock of your finances and make sure you're on the path you want to be

on. The focus around this time of year is saving tax money by contributing to an RRSP for retirement. And whether you're getting close or whether you're fresh into a career and working life, it's not too early to plan. But many of the folks I talk with have lots of questions:

What's the difference between a RRSP and a PRPP?

Which one can I use?

How much can I contribute?

I didn't contribute the maximum last year; how does that affect this year's contribution?

What if I have a pension at work? Am I still eligible?

What if my wife doesn't work...can she contribute to an RRSP?

There are many rules you don't want to run afoul of when it comes to selecting and contributing to a plan and making the right determination about its tax deductibility.

As your Knights of Columbus field agent, I can help. Our annuities can be used as an RRSP that may help you save money on your taxes. Our annuities pay a competitive interest rate, consistent with our primary goal of absolute safety of principal. They all include a guaranteed interest rate, so you never have to worry. One of the best features of an annuity is that it is designed to provide retirement income you cannot outlive—guaranteed! You can open an annuity for as little as \$300.

So here are some facts about our annuities: Low contribution to get started; guaranteed lifetime interest rate; an even higher competitive rate being paid now; possible tax advantages; absolute safety of principal; an income you cannot outlive...all from the Knights of Columbus—How does that sound?

I'd be happy to meet with you in your home and at your convenience to explain the advantages of a Knights of Columbus annuity—and our other products: our highly rated life insurance, long-term care insurance and our disability income insurance. I'll be around after the meeting; let's get together!

Vivat Jesus!

FISH FRY DINNER - FIRST FRIDAY OF EVERY MONTH

Please, do all you can to encourage priestly and religious vocations. Your prayers and support make a difference.

“What attracted me to the Servants of God’s Love was their joy.”

My community is called The Servants of God’s Love and we hail from Ann Arbor, Michigan. I grew up in Stratford and I attended St. Aloysius elementary school, St. Michael’s for grades 7 and 8 and then Northwestern Secondary School.

Sr. Kelly MacDonald

Final vows: September, 2005

Home parish: St. Joseph, Stratford

I had a priest friend of mine, Fr. Graham Keep that really encouraged me in discerning religious life. It helped to talk with someone who really understood religious life. What helped me further to discern was a daily prayer life, receiving the sacraments as often as I could and talking with someone from the religious community that I was interested in visiting.

What attracted me to the Servants of God’s Love was their joy. When I visited them, I was struck by how much they laughed! Along with the vows of Poverty, Chastity and Obedience, we take a 4th vow to “The Common Life”. This vow means that we live a life in common and are accountable to each other to live holy lives in humility and honesty. We are also a Charismatic community, so worship is part of our daily prayer. All these elements of this community were very important for me to say “yes” to God’s invitation to be His bride.

About the Servants of God’s Love (Ann Arbor, Michigan): we began in April 1975 as a small ecumenical sisterhood in Ann Arbor, Michigan. Most of the founding sisters had attended the University of Michigan and had come to a deeper conversion to the Lord through involvement in The Word of God community, an ecumenical, charismatic group in Ann Arbor. In 1975 six of us began living together. Our rule of life was patterned on The Servants of the Word, an ecumenical brotherhood founded a few years before us.

In 1983 the Lord made known the name He had for us, the Servants of God’s Love, and spoke to us anew about His desire that we be a sign of His strong, personal love for His people and also a sign of the kind of love He wants His people to have for Him. This is our charism and our mission.

Vocations London seeks to promote a culture of vocations in the Diocese of London through prayer, awareness, affirmation and invitation. To learn more about how you can help foster a culture of vocations in your families, schools and parishes, please contact Fr. Patrick Bénéteau, vocations director at vocations@dol.ca or visit the Facebook page [VocationsLondon](https://www.facebook.com/VocationsLondon) or the website www.dol.ca/vocations
