COLUMBIAN SQUIRES TRAINING TOMORROWS LEADERS TODAY!

For The Entire Family

Please, do all you can to encourage priestly and religious vocations. Your prayers and support make a difference.

“He clearly showed me that my plan would not make me as happy as His plan.”

I grew up in a loving family who were great witnesses in raising me in the Catholic faith. Without this strong foundation I don't think I'd be where I am today. After studying landscaping at Fanshawe College I started to get involved with Pure Life Ministries in London. After a few years of steady growth in my faith I started thinking about the priesthood, even though this was not something I was interested in. I had my heart set on getting married, having a family, and owning my own business. My faith continued to grow as my prayer life increased, for I had heard that as Catholics we could know God personally. The Father's promise to his children is that he knows us and loves us. I struggled with this truth for years.

Mark Hartman, seminarian

Companions of the Cross: 3rd year of formation

Home parish: St. Boniface, Zurich, Ontario

After working several years in landscaping and construction, out of the blue I started working for myself. This dream came about without any effort on my part. But after about a year, and accomplishing some amazing projects, I knew with my in my heart that God had a greater plan for me if I wanted it. The things he had orchestrated in my life were undeniable. I began to actively search for God. During this time, I focused often on a number of God's promises. The scripture passage of Jeremiah 29:11-13, focuses on finding God in a real and personal way, and that became my prayer. This led me deeper in relationship with the Lord where he began to share with me some of the deepest desires of my heart. Shortly after that, I visited the Companions of the Cross and felt as if he wanted me to begin to discern joining them. I visited the community a number of times and was attracted to their love for each other and their love and desire to see Jesus proclaimed.

My story and many others are just beginning so please pray for the Church, priests, and vocations at this time. God is still very much alive and guiding his people and he will wait with patience for his children to turn back to him to receive the promises found in scripture. He has always been faithful and will always continue to be faithful. I encourage you to press on to know the Lord and his great and often unexpected plans he has for you.

About the Companions of the Cross: The Companions of the Cross was founded in 1985, Ottawa, Ontario, by Fr. Robert Bedard, CC. We are a community of Catholic priests inviting people to know Jesus and empowering them to share Jesus. Our priests preach the Word of God with passion, celebrate the sacraments with devotion, and lead with confidence. www.companionscross.org

To our fabulous staff at the McGregor Columbian club led by Laura and Evan Belanger - thanks for everything you did to support me the last 3 years. To all my brother knights at council #2844 thank you for your support and to to brothers we lost during my term my heart goes out to you and your families.

Grand Knight Council #2844

NOTE!!!!

Some of you may be thinking that this notice has been in for a few months now and you would be right!! But we are still looking for HELP!! We can fit you in to agree with what is happening in your busy life!! DO WHAT YOU CAN!!!

Evan is looking at setting up a team of people to help out at lunches during the week from 11:30 till 1:30PM. It has been really busy and impossible for the bar tender to keep up so people such as Dennis (Dennis works midnights and should be sleeping) have jumped in at the last minute to help out. If we can get a number of volunteers a schedule can be worked out in order to spread out the time for all involved. Your help is appreciated.

Don't be shy - it is not very hard work and we can use people of all abilities - you do not have to be a cook!!!!

Thanks Evan

Knights of Columbus
INSURANCE

Making a difference for life.

NEVER INVEST IN AN ANNUITY!!
You've no doubt seen this kind of headline in the financial pages or you've seen pop-up ads on your computer or you've heard some friend repeat what he's heard from his buddy's uncle. Are they serious?
Let's start with the basics: An annuity is a tax-favored savings instrument. The government gives it special tax treatment because it's designed for retirement income. An annuity can be qualified or in other words, funded with money that you have not yet paid taxes on, like an IRA or an RRSP in Canada. Or non-qualified, that is, funded with money you've already paid the tax on. Like money you take from your paycheck or out of your savings account. Either way, the tax on the growth in your Knights of Columbus annuity each year is deferred...you pay no current tax on it and pay only when you withdraw money. I'll tell you that I think an annuity is a great product in the right situation. Especially a Knights of Columbus annuity. In addition to tax deferred growth, here are a few more reasons why I think that way:

1. Your minimum interest rate is guaranteed...for life! There is a floor that the interest rate will never drop below. The good news is that we've always paid a higher current interest rate than the guarantee. This feature means nobody has ever lost a dime in a Knights of Columbus annuity...and never will!
2. Your principal is guaranteed by the Knights. Now that kind of guarantee is only as good as the company backing it...and we've had 40+ years of Superior ratings from A. M. Best for financial strength. (As of January 2019, rated A+ Superior by A. M. Best)
3. You are charged no administrative fees each year...100% of your money goes to work for you earning interest from day one.
4. Even though annuities are designed for long-term growth, after one year you can access 10% of the value without any KofC penalty.
5. Owners of annuities name a beneficiary; this means that at death, the proceeds bypass probate. This saves time and usually money, too.
6. You can enjoy an income that you (and if you wish, your wife) can never outline!

But let's be fair; an annuity is not the answer every time. It's not a short-term product. It's not designed to be a "put and take" account where you stick some money in and then take it out a short time later. There is a reducing early withdrawal penalty over the first seven years if you take out more than the 10% free withdrawal. That feature, in all annuities, not just the KofC, is to encourage people to leave the money alone until retirement age.

So, although there are situations where an annuity is not the proper product, there are many where it is...And we haven't even talked about triple compounding, protection from creditors and other features.

How do you know if an annuity is right for you? Meet with me and let's look at your goals. It might be the perfect fit.

Where do you keep your safe money?

Vivat Jesus!
