

### Walking Field Trip

We would from time to time like to take a “walking field trip” to the back of our property and play on the grass, or snow and use the soccer field or baseball field

Date: \_\_\_\_\_

I \_\_\_\_\_ give any of the staff at Little Light Of Mine my permission to take my child/children \_\_\_\_\_ on a walking field trip around the property and to the grassy/snowy area and or soccer field/baseball field in the back of the building at 4175 S 112th St.
