# Welfare Assessment or Section 7

South West Family Services

Our Independent Social Workers are registered with **Social Work England** and are members of **BASW** and the **Independent Social Worker Directory**, reflecting our commitment to professional standards, ethical practice and ongoing development. All work undertaken by our ISWs is supported by a clear and robust quality assurance process, ensuring consistency, transparency, compliance and high quality reporting.

We take instructions from private clients, solicitors and the courts under Part 25 providing independent assessments to assist the courts for families in private family legal proceedings across England.

**What's included?**

- Full review of bundle and acceptance of LOI
- Further information requests, if something relevant is missing
- Consultations with the parties, support network, professionals, child/ren & observations if required
- Time limited support if appropriate
- Assessment & report including clear recommendations to assist the court

**Funding Package**: £1700 excluding vat, travel and any additional services

**Timescales**: The standard timescale is 8 weeks from LOI to conclusion, although in specific circumstances this can be completed in less time if required.

**Availability:** We have capacity to start sessions within 14 days of letter of instruction.

Please direct any enquiries to office@southwestfamilyservices.com, including requests for practitioners' CVs. CVs can be provided upon request, based on practitioner availability.
