

LS³ PUTS U IN SUCCESS

Lone Star Staffing Solutions (LS³) continues to evolve based on client requests and recommendations. We are known for tailoring staffing solutions to your industry and position with extremely positive results.

Featured Staffing Services we offer:

- Permanent Placement
- Executive Placement
- Recruitment Process Outsourcing (RPO)

Candidate Research and Identification

Our professional recruiting team has access to the market's most talented and experienced individuals. We utilize the latest technologies to research and identify the most qualified candidates. During the candidate evaluation phase, our team leverages candidate experience, skills, and cultural fit with your needs and specifications.

Advertising (Digital)

- **SOCIAL MEDIA**
- Job postings/job boards
- **ONLINE Newspapers**
- Flyers

Advertising (Mass)

- **LOCAL JOB FAIRS**
- Cinema
- Radio
- **Email Campaigns**

Candidate Selection and Presentation

LS³ works as an extension to your team. We understand the need to carefully select candidates utilizing behavioral interviews customized to your job. We can also administer customer requested online testing for more technical positions.

We believe the process of presenting candidates to you is as important as selection. Our goal is to provide enough details, with the candidate profile, to help you to make a decision quickly regarding your level of interest.

Client Representation

We realize the crucial importance of representing you, our client. We consider ourselves an extension of you and remain positive and professional while representing you with candidates.

Our truly collaborative partnership with large and small clients nationwide sets Lone Star Staffing Solutions apart from many staffing companies. **We build business relationships that last a lifetime!**

LS³ the best at what we do, **zero risk**, and competitively priced with discounts which kick-in at pre-determined volume levels. We also have one of the best guarantees in the industry.
