

New Board Member Joins HHF

Angela Anders is a Copley resident and as a board member would like to continue to pursue her passion of assisting an underserved population. She has proven leadership within the outpatient behavioral health community in Stark County and has maintained longstanding relationships within the construction industry in Summit and Cuyahoga Counties. Angela attended both Stark State College and Western Governors University. She became a MH/DD Registered Nurse and worked at Heartland Behavioral Health Hospital as a registered nurse and supervisor. She has also been the co-owner of Anders Concrete Inc / A & A Ohio Construction LTD since 1992. Angela's leadership experience also includes serving on the statewide committee to fix school funding after the DeRolph ruling (1997–2006), and developing BH programming to exceed Ohio Medicaid standards in Stark County. She has also served on the Opiate Taskforce of Stark County from 2013–2018.

A 501c3, Not for Profit Organization

Celebrating 58 years as a housing ministry for people with disabilities and other special needs.

Hope Homes Foundation Inc.

Rays of Hope

Spring 2021

Home Renovations, Repairs and Modifications

As we entered the new year 2021, Hope Homes achieved its goal to provide new renovations and maintenance repairs needed in many homes. These homes included: Hickory St. where a new roof, new concrete driveway and AC were replaced; The Call Rd. and Norton Rd. homes received new roofs and gutters; The Hocking St. home was completely remodeled with new floors, doorways and bathrooms and the 5th St. home

was recently completed with similar renovations. In 2021, plans are underway to renovate the kitchens at the Bryn Mawr homes along with new HVAC units and roofs; The Norton Rd. home will receive a new driveway in April and The Hope Center's driveway and parking lot will be repaved. In addition, funds have been awarded by the ODDD to purchase or construct a new home in Stark County. We appreciate our many donors who contributed to the Annual Giving Campaign and to The Welty Company for its contribution of \$10,000.00 dedicated to the Hope Center Project. These donations are vital to the maintenance and improvements to our homes and make it possible to provide "QUALITY HOMES FOR A QUALITY LIFE" to our residents.

Thank you,

Paul Herrera, CEO

HHF Board Members Honored for Years of Service

Hollie Ashworth was recently awarded for her 12 years of service. Hollie is a Cuyahoga Falls resident and a board member for the Hope Homes Foundation Inc., a not for profit organization in Stow, Ohio. Hope Homes serves persons with developmental disabilities and special needs with their housing needs for the past 59 years. She recently celebrated 12 years as a board member for Hope Homes Foundation Inc. and serves as the Secretary of the Board. Hollie retired in 2017 after working at Shelter Care, Inc. for 35 years. Initially a houseparent at Shelter Care and later as case manager and program director. Shelter Care have five programs for abused, neglected and troubled youth. In retirement, Hollie enjoys gardening, needlework, reading and traveling. Hollie became involved with Hope Homes through the United Presbyterian Church which supported the organization from its inception. The Shuman family, from the church, were very involved in the creation of Hope Homes. Their son was a client as an adult and until his passing.

Hector Gonzalez was awarded for 14 years of ongoing commitment and dedicated service to Hope Homes Foundation Inc. a not for profit organization in Stow, Ohio. Hector resides in Northeastern Ohio with his wife Sandra. He is an alumnus of Heidelberg College in Tiffin, Ohio, he went on to receive his Masters of Education degree from Cleveland State University. He is a retired Spanish teacher of thirty years, as well as football and wrestling coach, Hector enjoys serving Hope Homes as a board member starting in 2006. His family has been involved with Hope Homes since its inception when his mother-in-law, Evalenn Haulman Nutter, also served on the board. Hector is the proud father of two and loving grandfather of two. He is honored to receive recognition from Hope Homes and is dedicated to continued service with the organization.

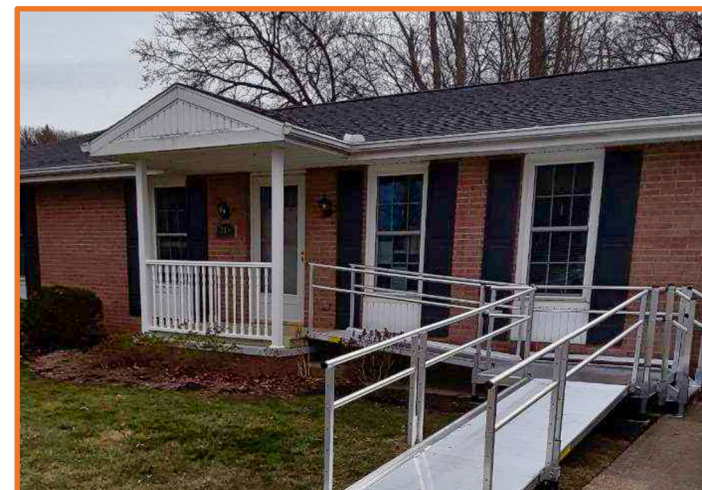

New and Completed Home Projects

Glenmont Home – In Progress New Construction 2021

"I am so excited to move into our new home!"

"This will be the first time I will have my own bedroom with everything new in it."
