## About Me

I retain an extensive knowledge of State & Federal laws and requirements for notarizing your signer's documents. All documents are checked for accuracy with special attention to detail. I demonstrate a unique understanding of provisions in all relevant State & Federal Laws as well as official lending regulations that pertain to the performance of signing services, including but not limited to GLBA, TILA, RESPA, FACTA, and the US Patriot act. I have experience with signings of all types specializing in Real Estate Transactions.
