MAY 2019

Our mission is to ensure a Christian based, safe, hands-on, developmentally appropriate, fun learning environment that meets the needs of the whole child...physical, spiritual, emotional, social, and intellectual. This is done by providing a variety of experiences in art, children's literature, music, dramatic play, fitness, cooking, and gross motor activities. We provide an environment where children can discover for themselves, become self-directed and independent, and experience activities that will help them grow and develop.

Dear Parents,

As we approach the end of this school year, we have but one thing to say:

Thank You!

You have shared with us your greatest treasures, your children! We have just been awed by the special qualities of each of your children and we are so thankful for the opportunity to do what we love to do!

Watching your children grow has made us laugh, smile and further confirms to us that each child has been designed by God! God has given each child their own special talents, gifts and abilities all unique in their own way! What a wondrous miracle in a small package.

It has been our hearts' desire to touch the lives of these children with our faith, fun and positive school experience that we hope will be among their happiest childhood memories. We leave this school year with many good memories, funny stories, touching moments and most of all, huge smiles on our hearts!

Thank you for an amazing year!

WE LOVE MESSY!!
These last few weeks will be spend outside making a mess! Please keep this in mind when dressing your child for the morning; you may also want to apply sunscreen!
It's going to be a fun and messy week!!!

A Few Fall Openings Left!

There are still some openings in our fall 2019-2020 classes! Please make sure to get the registration form and deposit in soon to hold your spot. Let all your friends know as well, we'd love to see many new and familiar faces next year!

Refer a new family and upon their paid registration you may choose one free summer camp class!

Sonshine Shoe Safety

As the weather finally warms up, we know how easy it is for kiddos to slip on flip-flops.

However, these shoes are not suited for our play at Sonshine. Our playground is based with woodchips, which can easily hurt bare toes.

Also, our indoor play and fitness often involves running, which can be hazardous in shoes that slip off. Please consider having your child wear athletic type shoes for preschool time.

Thank you for all you do to help us!

Sonshine Summer Camp

We still have a few spots available for Sonshine Summer Camp. Class list and registration is available on our website and at school!

May Tuition

Our monthly tuition is based on one lump sum for each class. This amount is divided over the nine months of school to keep accounting easier because some months we have more school days and others we have less. We always have questions why May is a full months tuition and rightfully so! Hopefully this clears up any confusion!

Speaking of wood chips....

We are expecting a large order of wood chips on June 8. If anyone wants a great workout, join us and help make this playground new again! We will be meeting at 9am with shovels and wheelbarrows in hand!

Converge Church

It's an exciting time for Converge Church! Many events are planned for the summer and if you are looking for a place to gather with great people please visit their website!
