We're here to get you there

EASTMAN

CLASSROOM STRUCTURE AND TIME FRAME

2023 Overview of Domestic and International Terrorism

Presenter - Casey Helm, FBI

With a perceived increase in threats and violence, learn to better recognize the presence of various types of terrorism activity. Hear an overview in the modern contexts to include 2018 events related to international and homeland events.

Room 225 - 8:15 - 9:15 and 9:30 - 10:30

Accountability Without Blame: Put Yourself in That Person's Shoes!

Presenter - Rick Thompson, Eastman

Accident or incident investigations often make those directly involved feel blamed. This presentation discusses the subtle differences between blame, responsibility, and accountability. An argument can be made for an investigation methodology that emphasizes accountability over blame..

Room 214 - 9:30 - 10:30 and 10:45 - 11:45

American Red Cross Preparedness - Hands Only CPR

Presenter - Bob Lorenz, American Red Cross

You can perform effective CPR by delivering only chest compressions. Hear the logic, see the techniques demonstrated and try for yourself. Also see what is offered for AED training.

Room 223 - 10:45 - 11:45 and **Room 112** - 12:45 - 1:45

Don't Leave Me Hanging!

Presenter - Joel Sherwood, Eastman Emergency Services

What risks are associated with working from elevated heights? Learn the pathophysiology and symptoms associated with suspension trauma and intervention methods used to reduce risks of this syndrome.

Room 221 - 12:45 - 1:45

Drone Safety - FAA Regulations: Keeping You Safe and Legal

Presenter - Richard Blevins, NESCC

With growing interest in recreational use of drones, it is important to understand the importance of safe operations and know the FAA restrictions to prevent facing legal issues.

Room 224 - 9:30 - 10:30 and 10:45 - 11:45

Drugs: A Current Perspective

Lt. James Woods, Hawkins County Sheriffs Office

Are we gaining ground in the battle against drugs? Lt. Woods will review the latest trends in drug abuse relative to our region.

Room 213 - 8:15 - 9:15 and 9:30 - 10:30

Room 219 - 12:45 - 1:45 and 2:00 to 3:00

Ergonomics: Building an MSD Solutions Program

Presenter - Laramie Locke, Eastman

If you've ever ended your workday feeling a bit more deflated and, well, older than when you started, then you aren't alone. Spending all day working at a computer is the reality for many people, and it's not uncommon to experience achy joints, headaches, and back problems.

Room 221 - 10:45 - 11:45 and **Room 112** - 2:00 to 3:00

Hold My Matches and Watch This!

Presenter - Brian Ramsey, Eastman

This fast-paced presentation takes a dynamic look at the physical and chemical properties of flammable and combustible solids, liquids and gasses. Witness flash point, vapor density, vapor pressure, flammable range and much more.

Auditorium - 12:45 - 1:45 and 2:00 to 3:00

House of Worship Safety and Security / Solo Civilian Response To Active Shooter

Presenter - Sherriff Cassidy, SCSO

Remember a time when we could leave our churches unlocked and never worry about theft or vandalism? Who would have imagined someone entering our churches with a weapon planning to massacre a body of believers? Unfortunately, locks, cameras, security teams and preventive plans are as commonplace as Vacation Bible School, Sunday School and Choir Specials. We will address many of the issues we face today, including solo response.

Auditorium - 8:15 - 9:15 and 9:30 - 10:30

How Fentanyl Has Changed the Landscape of Drug Use

Presenter - Melony Ison, Alice McCaffrey, Sullivan County Anti-Drug Coalition

"Safe" recreational drug use is an outdated concept. Learn about the potency, effects, who is at risk, and practical steps to protect oneself and loved ones from the risk of overdose.

Room 223 12:45 - 1:45 and 2:00 - 3:00

How to Keep Rockin' When Heat Comes Knockin'

Presenter - Don Elswick, ELSMART Associates

Learn how heat monitoring can improve the safety, quality, productivity, and cost-effectiveness of operations. Don will illustrate the current OSHA regulations using Wet Bulb Globe Thermometer (WBGT) and provide recommendations.

Room 112 - Times: 8:15 to 9:15 and 9:30 to 10:30

Investigation Fundamentals

Al Gourley, Eastman

Creating an investigation program?? This class will review some key elements of an effective investigation process.

Room 224 - 12:45 - 1:45 and 2:00 - 3:00

Is 911 Your Industry's Rescue Team?

Presenter - Joel Sherwood, Eastman Emergency Services

Are you prepared for emergencies that involve rescue efforts? Gain a better understanding of what these capabilities should look like in accordance with OSHA 1910.146 as well as industry standards. Topics will include minimum regulatory requirements and industry best practices.

Room 221 - 2:00 - 3:00

Mental Health First Aid

Presenter - Andrea Amos, NESCC

There are resources available to help us better recognize and understand mental health issues. This session will highlight topics that are available through the Mental Health First Aid Course.

Auditorium - 10:45 - 11:45

Pandemic Updates for Employers

Presenter - Dr. Francois, Ballard Health

Dr. Francois will be discussing how Covid has continued to impact the workplace during the last couple of years

Room 225 - 12:45 - 1:45 and 2:00 to 3:00

Things That Bite and Sting

Presenter - Tyler Wicks, Bays Mountain Park

In this session we will learn about the safety in the wild and how to identify many hazards we encounter in the outdoors and how to remain calm when seeing wildlife that frighten us.

Room 219 8:15 - 9:15 and **Room 225** 10:45 - 11:45

TOSHA Review of 2023 Workplace Fatalities

Presenter - Wendy Fisher, TOSHA

We will review workplace fatalities that occurred in 2023 and discuss potential ideas for preventing reoccurrence.

Room 213 - 12:45 - 1:45 and 2:00 - 3:00

TOSHA's Whistleblower Protection Program

Presenter - John Pietuszka, TOSHA

Mr. Pietuszka will review the statute and processes that protect employees from retaliation for raising safety concerns.

Room 223 - 8:15 - 9:15 and 9:30 - 10:30

Traffic Crashes: Causes, Effects, and Investigations

Presenter - Dustin Jackson - KPD Traffic Div.

Hear discussions from subject matter experts on common causes of accidents and proposed counter- measures to avoid becoming involved in a collision.

Room 219 - 9:30 - 10:30 and 10:45 to 11:45

Training for Multi-generational Workforce

Presenter - Linda Elswick, ELSMART Associates

21st Century Occupational Environmental Health and Safety (OEHS) : The presentation will discuss that generations do have a lot of differences; however, they also share a lot of common ground. It will support when in doubt about how to best approach each generation, use your own organization's values as a foundation to build upon, and try to include the focus elements from each generation to drive the impact and application of your training program.

Room 221 8:15 - 9:15 and 9:30 - 10:30

Understanding How OSHA's Multi-Employer Citation Policy Can Affect Your Organization

Presenter - Keith Harned, FDR Safety, LLC

OSHA has a very specific policy setting expectations for employers with different roles on multi-employer worksites that applies to both construction and general industry sites. The policy is relevant in lawsuits often following significant incidents when serious injuries or fatalities have occurred as the policy sets the standard of care expected.

Room 214 - 8:15 - 9:15 and **Room 213** 10:45 - 11:45

What Is the Leading Cause of Injuries for Trauma Patients?

Presenter - Dr. Testerman, Ballard Health

Falls are the leading cause of injuries. Dr. Testerman will review statistics and case studies on why this occurs and what we can do to promote prevention.

Room 214 -12:45 - 1:45 and 2:00 - 3:00

Workers Comp 101: Improving Your WC Culture

Presenter - Tina Barbee, TN Bureau of Workers' Compensation

There are proactive measures being implemented that may surprise you. Hear practical advice for handling workplace injuries with useful information for employees/employers in navigating the WC system. Learn practical ideas to help save money, prevent disputes and make the process fair for both parties.

Room 224 - Times: 8:15 - 9:15 and **Room 112** - 10:45 - 11:45

OUTDOOR DEMONSTRATIONS (During lunch)

DUI Driving Simulation - KASC and Kingsport Police Department

Rollover Simulator - TN Highway Patrol

Drone Safety - Northeast State Community College
