**K**urt Cobain, singer for Nirvana, was spotted late Friday night. He was seen at Indiana University of Pennsylvania (IUP) smoking a cigarette and eating a piece of Italian Village Pizza.

“It was Kurt Cobain for sure, he sang “The man who sold the world”. It was beautiful.” says Tucker Black, IUP college student.

Kurt Cobain died on April 5th, 1994 in Seattle. There is no possible way he could be in Pennsylvania. Sources say he may be Kurt Cobains doppelganger.

But if you are out there, Kurt, go make some more music.
