Personal Essay Requirements

Please write a short essay. Your essay plays a critical role in your selection as a scholarship recipient. Provide a brief response to each question. If you are a previous scholarship recipient we understand that some of your responses will be similar to past submissions but you are still expected to refresh your responses. Submitting an essay that is identical to past applications will disqualify you from consideration.

- What is your career goal?
- Where do you see yourself in 5 years?
- What inspired you to select this career path?
- Describe something you accomplished in the last 6 months that you are proud of (school, personal or work related), and why is this accomplishment important to you?
- What do you hope to accomplish in addition to your career goal?
- What do you do to give back to your community?

Please Note: If you are selected to receive a scholarship, Bravo will use your photograph and some of the essay information to create a student profile of you that may be used on Bravo social media platforms and promotional materials. **Highlight any information in your response that you wish to remain confidential.**

If you are selected to receive a scholarship

- You will receive confirmation via phone call and/or letter from a Bravo board member.
- Your scholarship check will be sent directly to your school in time to be applied to the upcoming term.
- Bravo will issue an announcement of the semester scholarship recipients on our social media platforms and may include the student profiles noted above. You will be given the opportunity to review and comment on your profile. If you do not provide feedback, we will use the profile as created.
- A Bravo "Buddy" will reach out to you after the start of the term to initiate communication. Your Buddy is your point of contact with Bravo should you have any questions about your scholarship, or should you need any support during the school term. Your Buddy also helps us monitor the investment we have made in you by keeping aware of your school status. If your Buddy is unable to maintain communication with you, you will forfeit the opportunity for future Bravo scholarships.

If you are not selected to receive a scholarship

- You will receive an email notification. Your name and email address will be added to our mailing list so you receive communications about future scholarship opportunities.
