To Whom It May Concern:

Richard Halpern has taught several classes for us. He is very professional and easy to work with.

Two of the classes he taught, ***“Please Put Down Your Cell Phone”*** & ***“Screen Time: What’s Good, Bad, or too Much?”*** were very well received by our providers. They thought it was great information and all of them found something that they could take home and start applying.

I plan to continue to use Richard as a trainer for this agency. We would like to see all of our providers get an opportunity to enjoy one or two of his classes.

Sincerely,

Paula Lavalley
