RE: Parent and Practitioner Workshops

To Whom It May Concern:

We have been delighted to host Richard Halpern for several workshops through the ***Parenting Success Network***, which is the Regional Hub for the Oregon Parenting Education Collaborative (OPEC) for Linn-Benton-Lincoln Counties. The Hub is coordinated through the Linn-Benton Community College Parenting Education Department. We offer both parenting education and professional development in our region across the three counties.

Richard Halpern is a Master Trainer who offers informative and interesting workshops that engage parents and practitioners alike. Participant evaluations show high levels of satisfaction and agreement in the likelihood of using the strategies offered with their child(ren). We would highly recommend Richard Halpern as a presenter for a workshop.

Sincerely,
