Images should be at least 300dpi

All ads must be created and submitted by Oct. 5 to be included in the fall production playbill.

To whom it may concern,

We are the Booster representatives for the Theatre program at Laguna Beach High School, and we would love to invite you to partner with us in continuing the legacy of excellent performing arts in our community. Laguna Beach has a long-standing love for the arts and a deep tradition of supporting and nurturing creativity. It truly takes a village to bring something thoughtful, enriching, provocative, and beautiful to life—and Lagunans have always cherished being part of that journey!

The Boosters support students in the LBHS Theatre program by offsetting production costs, providing meals during long rehearsals, funding scholarships, and creating opportunities such as theatre festival attendance and attending shows at local theaters. In the past three years, our program has earned 3 Macy's Top 10 shows and more than 80 awards across multiple competitions—our star is truly on the rise!

This year, we aim to take students to both the State Thespian Festival and the International Thespian Festival in Indiana. These events broaden horizons, connect students with a larger theater community, and prepare them for future opportunities in the arts and beyond. Our goal is to make sure every student who wants to attend is able to.

Laguna Beach Performing Arts Boosters is a non-profit (tax ID #20-1557073). All donations are tax deductible and will receive an official receipt. We love donations of any size, but please see the following page for details on our various "tiers" of involvement for you to consider. We would love to recognize and thank you and your business/family however we can!

The performing arts build creativity, confidence, empathy, and lifelong skills that shape our students far beyond the stage. We hope you'll join us in supporting the next generation of artists and storytellers. Thank you for considering this opportunity—we look forward to seeing you at this year's LBHS productions!

Sincerely,

Patty Tacklind and Marian Jordan
