

By Order of the Dragon Keeper's Guild:

The Keeper's Oath

I, as a Brave Adventurer, promise to care for my dragon with kindness.

I will give my dragon a name, for every dragon deserves to be known.

I will create a place where adventures can begin.

I will use my hands, my ideas and my imagination to make it my own.

When something doesn't work the first time, I will try another way.

I will protect my dragon, believe in myself and be ready for whatever comes next.

A Dragon Keeper knows that great adventures can begin anywhere.

Signed:

(Dragon Keeper)

My Dragon's Name
