NATIONAL COUNCIL OF
DENTIST HEALTH PROGRAMS

Working Together to Support Dental Professionals and Keep Patients Safe

AUGUST 21, 2026

VIRTUAL

4 CE Credits Through ADA CERP

This conference brings together dental societies, licensing boards, and health programs to strengthen pathways to early support systems for dentists.

Making it safe — and making it feel safe — to seek help protects dentists and the patients in their care.

Keynote Speaker

Brett Kessler, DDS

Past-president, American Dental Association

Featured Speakers Include

Chris Bundy, MD

Federation of State Physician Health Programs

Melodie Anderson Jones, DMD

Board of Dental Examiners of Alabama

William Claytor, Jr., DDS
