We work only with high fashion brands and designers who are looking for a reliable business partner.

We understand quality and use only the best raw materials for making the garment.

We understand the need for privacy in the fashion Industry and ensure secrecy at the design and manufacturing stage.

We have flexible minimum quantity requirements that primarily depend on the fabric being used.

We specialize in complex printing and embroidery techniques on any kind of woven fabric.

## ENVIRONMENT POLICY :

1. Waste water recycling: Waste water generated from the drinking water filtration, is used for Toilets, watering Plants and Cleaning

2. Rain water harvesting back to the soil

3. High energy efficient electrical fitting used all thru the factory.

4. Plants where ever possible to purify the air

5. No use of fossil fuels in machinery

We strive to be a Zero Waste Production Facility

Looking forward to hearing from you and exploring opportunities together.

Best regards,  
**GURUCHARAN SINGH BAJAJ**  
Managing Director,  
Roopneet's India

## SOCIAL POLICY :

1. No child Labour: None of our workers are under 18 years of age.

2. Freedom of Speech and Association: no forced or exploitative labour.

3. No Gender Discrimination: We employ and encourage women in the workforce. All workers, men or women, are paid equally.

4. Clean Healthy and Safe Work Environment: First aid certified staff, periodic fire safety drills, drinking water checks and air quality checks.

5. Treat with Respect and Dignity: Staff, workers and management are all encouraged to treat each other with respect and dignity.
