“Enriching Communities through Financial Opportunity”

Passive Investing Fuels Community Change

The Fund MY Growth Loan Fund fuels positive change in low and moderate income communities, and your investment in the fund not only finances projects, but helps families to own a home, sparks community business opportunities, and creates jobs.

Investment terms range from one to three years or more, and interest is typically paid annually.

Investments begin at a minimum of \$10,000, and all investments support FMG’s mission—strengthening underserved neighborhoods and promoting community development.

Security is provided by the pooled risk that the fund provides, a loan loss reserve, permanent equity and subordinated debt investments.

Fund MY Growth is a US Treasury certified **Community Development Financial Institution** FMG is also rated by Aeris |CARS, a comprehensive ratings system that provides a transparent evaluation of a CDFI’s impact performance, financial strength and risk parameters for investors and donors.
