42nd Annual

Pediatrics in the Red Rocks Conference

Provided by Arizona Chapter of the American Academy of Pediatrics

Course Description

Pediatrics in the Red Rocks is a well-respected educational event attended by Arizona's pediatric community. The conference is a three day post-graduate course which combines lectures, case presentations, question and answer sessions and workshops with time for informal interaction with the guest faculty and peers. The conference has been designed with the goal to develop, maintain and increase the knowledge, skills and professional performance of pediatric healthcare providers by providing them with the highest quality, most relevant and accessible educational experiences possible.

Course Credit

AMA PRA Category 1 Credits™

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Pediatrics (AAP) and the Arizona Chapter of the American Academy of Pediatrics (AzAAP). The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 15.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 15.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

PAs may claim a maximum of 15.0 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society.

This program is accredited for 15.0 NAPNAP CE contact hours of which 0 contain pharmacology (Rx) content, (0 related to psychopharmacology) (0 related to controlled substances), per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

MOC Part 2 Points

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of and feedback to the learner, enables the participant to earn 10.00 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

About AzAAP

The Arizona Chapter of the American Academy of Pediatrics (AzAAP) is committed to improving the health of Arizona children and supporting the pediatric professionals who care for them. AzAAP is the state's leading professional pediatric organization dedicated to promoting the physical, mental and social health and well-being of every Arizona child.

Representing over 1,000 health care professionals including pediatricians, pediatric subspecialists, nurses, residents, medical students, dentists, academicians, hospital administrators and other allied health professionals, AzAAP aspires to the highest standards in providing the latest evidence-based and current recommended guidelines to its members.

AzAAP utilizes the highest standards in providing members with the most up-to-date clinical data and tools to apply the latest expert guidelines in caring for children at all levels of their development.

June 28-30, 2019
Hilton Sedona at Bell Rock, Sedona, Arizona

Meet the Experts

The 2019 Pediatrics in the Red Rocks Conference features distinguished faculty, presenting topics that highlight the most recent advances and current issues in pediatrics. This year's conference features a wide array of interesting clinical topics to help you gain extensive insight in the following practice areas: Infectious Disease, Dermatology, Rheumatology, Psychiatry, Sports Medicine and special inpatient care sessions designed specifically for pediatric hospitalists.

Distinguished Faculty

Distinguished Faculty

J Hunt Udall, MD

Pediatric Orthopedic Surgeon
Banner Physicians Specialists
Banner Children's
Mesa, AZ

Elisa Wershba, MD, MPH

Pediatric Rheumatologist
Phoenix Children's Hospital
Assistant Clinical Professor of Pediatrics
University of Arizona – Phoenix
Phoenix, AZ

****Disclosure of Financial Relationships and Resolution of Conflict of Interest**

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities. The content of this CME activity does not necessarily reflect the views or policies of the AAP.

Hospitalist Track Panel Presenters

Sam Flores, MD, FAAP

Pediatric Hospitalist
KidsLink Hospitalist Group
Phoenix Children's Hospital
Phoenix, AZ

Dr. Sam Flores will precept a group of panel presentations for the Top 5 Journal Club Articles presentation taking place on Saturday, June 29. Panel presenters include: **Shivani Desai, MD** (PL2 Pediatric Resident, Phoenix Children's Hospital/Maricopa Medical Center Residency Program), **Peter Fitzgibbons, MD** (PL2 Pediatric Resident, Phoenix Children's Hospital/Maricopa Medical Center Residency Program), **Jennifer Hall, MD, FAAP** (Pediatric Hospitalist Year 1 Fellow, KidsLink Hospitalist Group, Phoenix Children's Hospital), **Megan Matz, MD** (PL3 Pediatric Resident, Phoenix Children's Hospital/Maricopa Medical Center Residency Program), **Kristin Robertson, MD** (PL3 Medicine/Pediatric Resident, Phoenix Children's Hospital/Maricopa Medical Center Residency Program), **Sana Siddiqui, MD, FAAP** (Pediatric Hospitalist Year 1 Fellow, KidsLink Hospitalist Group, Phoenix Children's Hospital), and **Katina Summerford, MD** (PL2 Pediatric Resident, Banner University Tucson Medical Center)

Special Sessions for Hospitalists

The conference has a special full-day educational track which includes networking lunch on Saturday, June 29, designed specifically for pediatric hospitalists. Sessions Include: DERM ROUNDS: A day in the life of the inpatient consult service; When should I call Rheumatology?; Top 5 journal club articles; 2019 nuggets in infectious disease for the hospital-based practitioner; A state of delirium: Is it really important to worry about?

Thursday and Friday June 27-28, 2019

Thursday, June 27

10:00-3:00 AzAAP Board of Directors Meeting
CLOSED MEETING

5:30-7:00 Attendee Registration
AzAAP Welcome Reception

Friday, June 28

6:30-7:30 Registration
Breakfast in the Exhibit Areas

7:30-8:15 **Lecture: The year's top articles in infectious diseases for the practitioner (Sarah Long, MD, FAAP)**

- * Interpret laboratory and historical data to validate immunity to vaccine-preventable diseases
- * Plan strategy for protection of a travelling 6 month old against measles and hepatitis
- * Recognize infectious risks of infants born to mothers receiving biologic response modifying drugs during pregnancy
- * Describe reasons for susceptibility of appropriately vaccinated individuals against pertussis

8:20-9:05 **Lecture: How to diagnose a diagnosis of exclusion—what a PCP should know about juvenile idiopathic arthritis (JIA) (Elisa Wershba, MD, MPH)**

- * Recognize JIA as a clinical diagnosis
- * Learn symptoms/signs of JIA
- * Explain association with uveitis
- * Identify objectives of treatment in JIA

9:10-9:25 Panel Q&A

9:30-10:00 Refreshment Break in the Exhibit Areas

10:00-10:45 **Lecture: Adverse childhood experiences and the impact on mental health and medical outcomes (Randall Ricardi, DO)**

- * List the more common medical and psychiatric outcomes for elevated ACE scores
- * Describe the proposed effect of ACE's on brain development
- * Become familiar with the general ACE categories and associated questions

10:50-11:35 **Lecture: Doctor, should I be worried? Recognizing common and uncommon birthmarks (Harper Price, MD, FAAD)**

- * Recognize common and less common congenital skin lesions in the outpatient setting
- * Identify those congenital skin lesions that require urgent referral and additional investigations

11:40-11:55 Panel Q&A

12:00-12:30 Refreshment Break in Exhibit Areas

12:30-2:00 Chapter Annual Luncheon

2:15-3:45 **Workshops – Attendees choose from one of the following two sessions**

Choice A—Workshop: How to approach a limping child

(Elisa Wershba, MD, MPH)

- * Identify when to order “rhum” labs
- * Recognize when to refer a patient

Choice B—Workshop: Visual diagnosis in infectious disease

(Sarah Long, MD, FAAP)

- * Distinguish specific features of Kawasaki disease
- * Differentiate viral from bacterial pharyngitis
- * Differentiate cutaneous manifestations of infectious diseases

3:45 Adjourn

5:30-7:00 AzAAP Poster Session Happy Hour

Saturday June 29, 2019

Saturday, June 29

- 6:30-7:30** **Registration**
Breakfast in the Exhibit Areas
- 7:30-9:00** **Workshops – Attendees choose from one of the following three sessions**
- Choice A—Workshop: Sports injuries to the knee, hips and ankle (J Hunt Udall, MD)**
- * Acquire skills to do a thorough exam on the lower extremity
 - * Demonstrate confidence in diagnosing lower extremity sports injuries
 - * Differentiate what needs therapy, what needs rest, and what needs surgery
 - * Differentiate which patients need further imaging studies for diagnosing a problem
- Choice B—Workshop: Pharmacotherapy update in the treatment of ADHD: Is newer always better? (Randall Ricardi, DO)**
- * Discuss the risks/benefits of non-drug nutritional therapy to treat ADHD symptoms
 - * Describe clinical indications for the use of non-stimulant medications for ADHD
 - * Create a Clinical Pathway for the treatment of ADHD
- Choice C—Workshop: Things that go “bump” in the night! Diagnosing common lumps and bumps in the pediatric population (Harper Price, MD, FAAD)**
- * Review common terms to accurately describe skin lesions when documenting and discussing with your colleagues
 - * Identify common childhood skin lesions based on appearance, age and location
 - * Recognize what skin lesions would require further referral and/or investigation
 - * Employ counseling to patients/families on commonly seen lumps and bumps in childhood
- 9:00-9:30** **Refreshment Break in the Exhibit Areas**

Saturday General Sessions

- 9:30-10:15** **Lecture: Pediatric pearls for shoulders, elbow, wrist, and hand problems (J Hunt Udall, MD)**
- * Apply increased skills in diagnosing shoulder, elbow, and wrist aches and pains and injuries
 - * Utilize diagnostic tools (MRI, xray, ultrasound) in patient care more effectively
 - * Demonstrate confidence in upper extremity exam
 - * Diagnose and treat basic problems in clinic and differentiate which ones need to be sent to the orthopedic surgeon
- 10:20-11:05** **Lecture: Bugs and drugs: Optimal use of antibiotics in the outpatient (Sarah Long, MD, FAAP)**
- * Recognize the importance of the microbiome in health and disease
 - * Describe the microbiology of AOM and sinusitis and plan targeted therapy
 - * Describe adverse effects of NSAIDs
- 11:10-11:55** **Lecture: More than just skin deep: Atopic dermatitis guidelines and updates in 2019 (Harper Price, MD, FAAD)**
- * Describe the role of comorbid conditions like ichthyosis vulgaris and food allergies in patients with atopic dermatitis
 - * Review the use and safety of prescription non-steroidal topical options for atopic dermatitis
 - * Recognize the multifaceted approach to treatment and prevention of atopic dermatitis and related complications
- 12:00-12:30** **Panel Q&A**
- 12:30** **Adjourn**

Saturday Hospitalist Sessions

- 9:30-10:15** **Hospitalist Lecture: DERM ROUNDS: A day in the life of the inpatient consult service**
(Harper Price, MD, FAAD)
- * Discuss how best to utilize the dermatology service in the inpatient setting and common pitfalls
 - * Review common and uncommon skin conditions seen in hospitalized patients including drug reactions and infections, among others
 - * Recognize those conditions that would require urgent diagnosis and intervention in the inpatient setting
- 10:20-11:05** **Hospitalist Lecture: When should I call rheumatology?**
(Elisa Wershba, MD, MPH)
- * Recognize when to consult inpatient vs. refer outpatient
 - * Identify when the hospitalist should call rheumatology
 - * Recognize emergencies in patients with rheumatologic conditions
- 11:10-11:25** **Panel Q&A**
- 11:30-12:00** **Hospitalist Networking Lunch**
- 12:00-12:45** **Lecture: Top 5 journal club articles**
(Article Panel Preceptor: Sam Flores, MD, FAAP)
- * Appraise 5 recent articles with a potential impact on hospitalist medicine
 - * Assess how these results may apply to clinical practice
 - * Analyze the gaps that still exist in knowledge in areas these articles cover
- 12:50-1:35** **Lecture: 2019 nuggets in infectious disease for the hospital-based practitioner**
(Sarah Long, MD, FAAP)
- * Describe the epidemiology of viral respiratory tract illnesses in families
 - * Recognize the benefits and limitations of PCR testing for hospitalized children with fever alone, respiratory, GI, and possible HSV
 - * Recognize unusual presentation of Kawasaki disease
 - * Plan immunologic investigation of a child with invasive pneumococcal infection

- 1:40-2:25** **Hospitalist Lecture: A state of delirium: Is it really important to worry about?**
(Randall Ricardi, DO)
- * Describe the core diagnostic characteristics of delirium
 - * List the differential diagnoses for delirium
 - * Outline a treatment plan for the acute management of delirium

2:30-3:00 **Panel Q&A**

3:00 **Hospitalist Sessions Adjourn**

3:30-6:30 **AzAAP Committee Meetings**

AzAAP Committees will meet in conjunction with the conference, and a schedule of meetings will be shared closer to the activity dates. We hope that you will consider attending a meeting to learn about the activities of the AzAAP and provide your input so we can be assured our grassroots work is reflective of what you – our membership – feels is important.

Sunday
June 30, 2019

Sunday, June 30

6:30-7:30 Breakfast on the Canyon Patio

7:30-9:00 Workshops – Attendees choose from one of the following three sessions

Choice A—Workshop: Sports injuries to the knee, hips and ankle (J Hunt Udall, MD)

- * Acquire skills to do a thorough exam on the lower extremity
- * Demonstrate confidence in diagnosing lower extremity sports injuries
- * Differentiate what needs therapy, what needs rest, and what needs surgery
- * Differentiate which patients need further imaging studies for diagnosing a problem

Choice B—Workshop: Pharmacotherapy update in the treatment of ADHD: Is newer always better? (Randall Ricardi, DO)

- * Discuss the risks/benefits of non-drug nutritional therapy to treat ADHD symptoms
- * Describe clinical indications for the use of non-stimulant medications for ADHD
- * Create a Clinical Pathway for the treatment of ADHD

Choice C—Workshop: Things that go “bump” in the night! Diagnosing common lumps and bumps in the pediatric population (Harper Price, MD, FAAD)

- * Review common terms to accurately describe skin lesions when documenting and discussing with your colleagues
- * Identify common childhood skin lesions based on appearance, age and location
- * Recognize what skin lesions would require further referral and/or investigation
- * Employ counseling to patients/families on commonly seen lumps and bumps in childhood

9:00-9:15 Refreshment Break

9:15-10:00 Lecture: Fractures every pediatrician should be familiar with (J Hunt Udall, MD)

- * Identify fractures that need to be treated in a time sensitive manner and those that don't
- * Acquire an increased comfort level of treating certain fractures in the office
- * Employ an increase knowledge of radiographs and rely less on x-ray reports
- * Distinguish what needs to be sent to the orthopedics office next week, what needs to go to the emergency room right away, and what can be followed safely in office

10:05-10:50 Lecture: My patient was diagnosed with a rheumatologic condition—now what? (Elisa Wershba, MD, MPH)

- * Identify when vaccinations are contraindicated
- * Describe my role in managing common pediatric rheumatologic conditions
- * Recognize the uniqueness of adolescent management with chronic illness

10:55-11:40 Lecture: Psychogenic non epileptic seizures (Randall Ricardi, DO)

- * Describe the challenges associated with making the diagnosis of Psychogenic nonepileptic seizures (PNES)
- * Recognize common psychological risk factors for the development of PNES
- * Outline a management approach for care

11:45-12:00 Panel Q&A

12:00 Closing Remarks By AzAAP President Adjourn

Register Online Now! www.azaap.org

Early Registration Discount: Note the significant dollar savings by going online, faxing or mailing your registration in with a postmark on or before May 15, 2019.

Member and Non Member Rates: If registered at the member rate, but current membership dues are not in good standing, registrant will be charged the remaining difference for the non-member rate at conference registration.

Food Breaks: Breakfasts and snacks at conference breaks (including reception appetizers and drinks) for attendees are provided free of charge at the designated times listed in the enclosed agenda. You are welcome to purchase meals for non-attendees and guests when you register for the conference. We appreciate you doing this ahead of time so we can plan accordingly for functions that include food and beverage counts.

Cancellation Policy: A tuition refund minus a \$75 administrative fee is allowed for cancellations received in writing prior to May 15, 2019. All refunds will be processed after the conference.
