Provider Specialty	Total Compensation			Work RVUs		
	Group Count	Ind Count	Median	Group Count	Ind Count	Median
Orthopedic Surgery: Foot and Ankle	55	101	\$647,416	50	88	10,404
Podiatry: General	116	318	\$261,055	94	217	5,719
Podiatry: Surgery-Foot and Ankle	102	337	\$326,316	90	249	6,274

They also advised that MGMA data is available to everyone who takes [the survey](#) – MGMA shares the data with participants as a way to encourage folks to take [the survey](#) and provide your own data. I think [this is the site](#) where you can [take their survey](#), and then you'll get direct access to the current information.
