Re: LETTER OF APPRECIATION AND PROGRESS REPORT

Dear H4H Team,

I am writing to thank you from the bottom of my heart for the support you have given me. Your generosity has made a real difference in my life, and I am deeply grateful.

I am studying Law and I am now in my third year. I am working hard and making steady progress in my studies. My Year 2 transcript will be sent to you soon, and I will share my results as soon as I receive it.

Because of your support, I am able to attend class regularly and focus on learning without worrying about my tuition fees and transportation. My goal is to graduate as a lawyer and use my knowledge to serve my community.

This opportunity has changed my future. It has given me hope and the confidence that I can complete my education and build a better life. It has also brought great joy and encouragement to my family. They are proud of my progress and truly thankful for your kindness. One day, when I graduate and begin my career, I intend to support my family and help others.

Thank you for believing in me and investing in my education. I promise to keep working hard and to make you proud.

With sincere gratitude,

DINAH UMUTESI
