### Legend Breakdown:

**Testing/Exams** – MOE exams are subject to MOE schedule and could change.

- IBT and MAP testing are external diagnostic assessments that are not counted against the child, but rather, the data is used to better align students' tasks to maximize their learning.
- American exams are internal and are created by their teachers.
- MOE exams are external as they are created by MOE.

**Friday Activity** – Fridays are half days of instruction, and the second half has been allocated to providing opportunities for students to develop their innovation, and creativity side. We have created a variety of activities to give students time to explore, experiment, and expand on their learning skills. We encourage parent support and participation in our school and if any parent that wants to collaborate with us during our Activity Days, please contact the school Social Worker

# Ain Al Khaleej School Activities Calendar

**Club Week** – Student will be given an opportunity to select a club they would like to participate in throughout the term. We have created a schedule that provides students the opportunity to be innovative, creative and extend their learning beyond the classroom.

**Holiday** – These are either government or ministry sanctioned holidays and are non-negotiable.

**Parent/teacher conference** – AAKPS have dedicated these sessions for parents to come and meet/greet and collaborate with teachers to discuss students' progress and wellbeing. **HOWEVER**, parents can book an appointment to see a teacher/administrative staff anytime through the administration (037811232) . Teachers are available daily between 2 and 3 pm.

**PD** - Internal and external teacher training, depending on school needs.
