2024 Collectible of the Year

The 2024 Collectible of the Year celebrates three Zippo milestones in an incredible display of artistry.

Introduced as the Florentine in 1974, the iconic Venetian® pattern swirls on all sides of the Armor® case with our Laser Engrave process. The ornate design stands in gorgeous contrast to the Black Matte finish, which made its debut in 1984, while the Zippo flame icon is nestled among diagonal MultiCut pinstripes in an ode to the very first Deep Carve design unveiled in 2004. Finally, the Venetian pattern is replicated with delicate laser engraving on the coordinating gold-flashed insert, which was chosen specially for the Americas edition.

Each remarkable keepsake is consecutively numbered and authenticated with a Luxury bottom stamp. Production will be limited to 5,000 pieces, so don't miss your opportunity to offer this region-specific global Collectible to your customers.

Digital and fine artist Carol Cavalaris celebrates the uniqueness of every living being with her extensive, mixed-media body of work, often blending reality and fantasy together in what she calls "living art." Zippo is pleased to offer two prime examples of her work in the 2024 Collection: *White Tiger - Spirit of Sensuality* on a gleaming High Polish Blue lighter; and *Jewels of the Jungle*, which is featured on a Glow-in-the-Dark model.

Specializing in animal portraiture, artist and environmentalist Lindsay Kivi uses her art to affirm our intrinsic link to nature and inspires her audiences to deepen their connection to all living beings. Her piece, *The Big Cat*, emerges from a High Polish Black lighter in a smoky Photo Image design, while *Feed the Good Wolf* appears in stark Color Image on a classic Black Matte model in an ode to the Cherokee "Tale of Two Wolves" that live within every human.

Vintage Lighters

There's Nothing Old About Zippo Vintage.

The success of Zippo's 50th anniversary commemorative lighter in 1982 was a strong indicator that Zippo customers and collectors were receptive to the addition of more vintage-style lighters to the product line. Zippo Vintage lighters were introduced in 1985, designed after a similar Zippo lighter created in 1937.

Distinctive features:

- Five-barrel hinge joins the lid and the bottom; same as current Zippo lighter.
- Sides of the unit are flat, with rounded corners and edges replicating the 1935 square case.
- Flat bottom and top case with current bottom stamp.
