

Thank You

2024 Annual Dance Concert

Our Thank you's for our 2024 Annual Dance Concert are written for and on behalf of our entire Groove Dance and Cheerleading team.

Thank you to all our Groove Dance and Cheerleading Community for their help with this year's concert, it is greatly appreciated.

Thank you to all our Groove Team.

What has been achieved this year is amazing. We are beyond proud that we have been able to raise money for different charities since our last concert, we have added memberships to what we offer this year which means none of our enrolled students have to worry about a pay increase to their tuition. This is our second year we have been able to have an option to lend costumes for no additional cost. We are excited to be teaching the amazing program The Wiggles World of Dance at our studio and now have our own studio space.

Thank you to all our wonderful parents and students for all your hard work and commitment that has made our 19th Annual Concert amazing. We are excited and proud to start preparations for our 20th Annual concert.

A huge thankyou to the team at St Phillip's Christian College for everything you have done to help organise and make today happen.

Thank you to our Supervisors, Back Stage and behind the scenes.

Thank you to Nerrida, Indy, Debbie, Viola, Tegan, Makayla, Ebony, Sarah, Rachel, Randy and all our supervisors helping students backstage.

Thank you for the effort you put in at the rehearsals and the concert. There is a lot of work that goes into a concert behind the scenes, and we would not be able to have the concert run without your support and help.

Thank you, Ben, for your help with our Ute when it decided right before the concert would be the best time to stop working.

Thank you, Belinda and Simon, for offering to taking the trailer full of concert items to our concert.

Thank you to everyone that helped us pack up at the end of the concert. It is a lot of work to get all our equipment out and everyone safely handed over to their parents, so everyone's help is appreciated so much.

Thank you to our admin team- Thank you for all your hard work throughout the year especially at concert time. We wouldn't be able to provide dance classes at the same price as before the pandemic or with little to no interruptions to our dance classes each week without all your hard work. The fact we are now able to offer parents an admin team to contact right up to the concert for all the questions parents may have which in return allows our teaching staff to concentrate on preparing students for dancing on stage is something we are really proud of. Concert time is a very busy time for all our staff but working as a team has really allowed Groove to run smoothly at a moment in time that has been so unpredictable.

Thank you to June. Thank you for donating your spare time and always supporting Groove. Thank you for all your help in the lead up to the concert and for being such a great support with anything that has to do with

the studio. Our studio would not be able to run without your help creating and supporting Groove Dance and Cheerleading. We all appreciate the amount of work and support you were able to put into this year. We appreciate every moment of time and effort you put into Groove Dance and Cheerleading.

Thank you to our Teaching Staff, Assistants and Helpers.

Nerrida, Ebony, Indy, Randy, Sarah, and Brooklyn, for your hard work and dedication this year.

Thank you to Sarah and Randy for all your help with classes this year.

Thankyou Tegan for helping with Groove Dance and Cheerleading's photography and helping to run backstage at our concert.

Thank you to Ebony for your great choreography this year. Your dances were great and were very entertaining to watch. Thank you for helping parents with questions on the GROOVE DANCE PARENTS Facebook group and pointing parents in the right direction. Thank you for your hard work over the last year.

Thank you to Indy.

You have had a busy year with full time uni, and your other jobs, but you have managed to be committed to every class you teach. Thank you for having fun with the students and for helping at all major events that Groove Dance and Cheerleading has participated in this last year.

Thank you, Jordan and Brooklyn, for being patient and allowing your parents and Ma to work so hard in a lead up to a concert. It wouldn't be possible without you coming along to the long rehearsals, photo days etc and you are both so good at adjusting to whatever event for the studio you are attending.

Thankyou Coco (Brooklyn) for all your help with the Princess Ballerinas, Little Groovers and The Wiggles World of Dance this year. Thank you for all your help with watching your younger brother when needed. Thank you for all the help organising everything from costumes to dances etc we know you love organising and talking things through about dance but we all appreciate your help.

Thank you to our creative director and Principal teacher Nerrida. Thank you for your dedication to dance and dance education as it is inspiring to our students. We appreciate that you base your whole teaching style around the feeling you get when you dance as this allows dance to be for everyone. Thank you for your organisation with every event that Groove Dance and Cheerleading has participated in this year, the work you put into all the different charity events is inspiring. Thank you for the hard work you put into advertising and marketing and all your help to organise the studio to run. Thank you for the just over 12months of work you have put into 2024 Annual Dance Concert and the over 3months of continuous work to make it all come together. Thank you for your vision to have a studio that is fun and affordable for families, this year it has been needed. Thank you for your creativity and vision for not just this year's concert but for the last 19years of Annual Dance Concerts.

Kind regards,

From the all the team at Groove.
