

May 13, 2020

I've been working with Chad since I came to the Boise area in 2003. I can't think of anyone with more integrity or professionalism than Chad. He's always been there for us and without him, our practice wouldn't be where it is today. I can't thank him enough and look forward to working with him in the years to come.

Sincerely,

Michael C. Simms, DDS
