Deciding on a strategy for claiming your Social Security benefits might not be as complex as you think. However, making the wrong choices can result in less income.

Join our dinner presentation to learn the keys to enhancing your Social Security benefits.

- * Keys to when to start taking your benefits.
- * Keys to how being married, divorced or widowed can impact your benefits.
- * Keys to how benefits can be affected depending on many factors, including when and how your spouse files.
- * Keys that take a deeper dive into Social Security, such as working in retirement.

This presentation will help educate you on the many decisions involved in claiming Social Security benefits, as well as their consequences, and suggest strategies that can offer an opportunity to maximize the benefits received.
