

WINDSOR ISLAMIC ASSOCIATION EDUCATIONAL AND COMMUNITY CENTRE

With the grace of Allah (SWT) and then the overwhelming generosity of our community, we are thrilled to announce that we are in the final stage of purchasing the property at 5791 N Townline Rd, marking a historic milestone for our schools and community.

This expansive facility will be the new home of both An-Noor Elementary School and Windsor Islamic High School, providing a state-of-the-art learning environment designed to nurture academic excellence, Islamic values, and personal growth.

Our vision extends far beyond just classrooms; this location is set to become a thriving hub for education, faith, and community activities.

Located just 17 minutes from the Windsor Mosque, the new site offers 95000 sq. ft of a purpose-built school building along with 66 acres of land, zoned institutional, for future expansion and growth.

More Than a School—A Community Hub

This new facility is not just about education; it is about building a stronger and more connected community. The investment is dedicated to meeting our increasing needs, ensuring a world-class learning environment, and an Islamic Cultural Centre for current and future generations. In addition to the JK-Grade 12 school, the site will feature:

- ✔ **Dedicated Prayer Hall** – A serene space for daily and Jumu'ah prayers
