بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Welcome to the May edition of our mosque's monthly newsletter! Alhamdulillah we entered a season of renewal and new beginnings with the scent of blooming flowers and the gentle warmth of spring surrounding us in the month of May.

In this edition, we are thrilled to share with you the inspiring events, enlightening sermons, and exciting community initiatives that unfolded within our walls throughout the month.

With the permission and blessing of Allah, we continue to foster a space that nourishes the hearts and souls of all who enter our mosque. May this newsletter serve as a source of knowledge, connection, and inspiration as we come together to strengthen our bond as a united Muslim community.

## OUR VISITORS

We were thrilled to host high school students at the mosque, where they learned about the core tenets of Islam, heard the adhan called out, ate some delicious food and left with gifts in hand!

Sh. Amir Zaidi visited from Ajax, Ontario to deliver a talk for Friday Family Night. He also delivered a talk for the youth about companionship and how friends can influence our lives.

Visitors at the Windsor Islamic High School Open House were presented the opportunity to meet staff members, take a tour of the facility, register new students, and explore available scholarships.

## CELEBRATING US

CELEBRATING 30 YEARS

In 1993, we completed construction of Windsor Mosque as we see it today. This house of worship has served our growing community. We thank Allah for the past three decades in this mosque and pray He continues to bless our community with more.

We are honoured to congratulate Sr Khalida Peer and Br Khalid Raana on receiving the Platinum Jubilee awards from the Honourable MP Brian Masse. Their recognition highlights the importance of volunteerism and commitment to the greater good. We pray for their acceptance on the highest levels with Allah and to celebrate more leaders from the Muslim community in the future. Ameen.

## COMMUNITY EVENTS

**Muslim Legal Support Centre** hosted “Navigating Immigration Law”, providing an overview of the immigration process to Canada, including how to sponsor a loved one.

Attendees spent the weekend at our Dawah Workshop learning how to best explain the basics of Islam to others, and enjoying complimentary breakfast and lunch together.

Our community gathered for a reading of The Forty Hadiths of Imam al-Nawawi. Imams Abdelrahman Nabil, Omar al-Ani, and Muhammad Abuelezz led the reading to an audience who received ijazat at the end.
