Waldport Beachcomber Days was a new show this year in that it has open and women's and novice events. A big thank you to Jeff and Amy Skirvin who worked hard to make a great show. Their efforts to include novice and women as well as open men was greatly appreciated!

The Philomath Frolic is a well know rodeo that has added a logging rodeo to go with it. Cody Labahn organized this fun show again this year. He works hard to include women and novice as well as run an open men's Stihl events show. This is a great show to attend to gain some times for a Stihl application. Plus the rodeo is always fun to watch afterward! Thank you for your hard work Cody and crew!

The Morton Loggers Jubilee was a bit different this year. There were women's events, intermediate/master events and the usual open events. This was the largest turn out of women I have ever seen at Morton. We really appreciate the extra effort from Linda Mettler especially in making these changes. We appreciate the rest of the volunteers and crew for following through with Linda's vision for this year. See results in the next pages. And look at the new Women's Single Record by Erin Cramsey!
