## **Entry Forms**

*Shows take the time to make entry forms and waivers, and as competitors, we need to fill them out completely and sign them. It takes a lot of organization, time, energy, and finances to set up a show and run it. As competitors we need to do our part. ALA Sanctioned shows are a two-way street. The competitors know what rules we will be following and the shows know what the competitors are expected to do. Both groups follow the rules and by-laws of the ALA. As competitors let's be sure we:*

*Turn in entry forms:*

- *Fill out forms completely with contact information and signature. Use the forms the show has made.*
- *Only e-mail forms or call-in entries if the show states on the entry form that they want it done that way. Otherwise, MAIL IT to them at the address provided.*
- *Send forms in ON TIME. (The show needs time to get enough wood and make out schedules.)*
- *Send entry fees WITH the form. (Shows have to pay out for things like T-shirts etc, they need this money up front.)*

*Be on time to check-in and for the show. (Even if you are only in 1 or 2 events that don't have prelims, you still need to check in on time. The people doing check in have other things to do and need to finish and move on.)*

*Follow the ALA Conduct Code*
