As an organisation, we commit to implementing this policy and addressing any concerns quickly and within these guidelines.

Understanding the online world

As part of using the internet and social media, our organisation will:

- Assess and manage the safety aspects – including what is acceptable and unacceptable behaviour for staff and children when using websites, social media including Facebook, TikTok, Instagram, Twitter or Snapchat, apps and video conferencing platforms including Zoom or Skype.

- The account will be monitored by at least two designated members of staff in order to provide transparency, who will have been appointed by the organisations committee.
- The designated staff managing our online presence will seek advice from our designated safeguarding lead to advise on safeguarding requirements.
- Designated staff will remove inappropriate posts by children or staff, explaining why, and informing anyone who may be affected (as well as the parents of any children involved).
