Change for Change – Community Health Clinic of the NRV

The Community Health Center of the New River Valley is a non-profit healthcare organization that serves uninsured individuals, as well as people who are insured with Medicaid, Medicare, and private insurance. The clinic is located in Christiansburg but also operates in Giles and Pulaski counties.

Their programs provide medical, GYN, dental, behavioral health and medication assistance services to people of all ages. If someone is seeking a medical care provider or is having trouble finding a doctor who will work with their coverage, the Community Health Clinic might be a good choice. They offer competent, committed care with a goal of providing an affordable, long-term medical home to people of all ages.

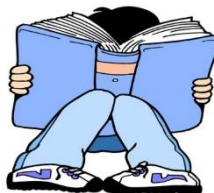

Food Pantry Needs

Summer is a slow time for donations at the Food Pantry. Your monthly donations help with supplying food to food-insecure families in our area.

Ways Luther Memorial can help.

1. Donate veggies from your garden if you have an abundance of something.
2. Support the collection of the monthly food items at Luther Memorial. (June is canned veggies.)
3. The Pantry also needs the heavy plastic bags given when you order online or traditional brown paper bags. They also distribute donated reusable bags.
4. If you know a group that would be interested in conducting a food drive for the Pantry, you can find out more information and a contact email online at the Pantry's volunteer website or contact Sandy Hagman, sandy.hagman@comcast.net.

Books for Micah's Mini-Pantry

Do you need to clean out space on your bookshelves? Don't forget that we are converting Micah's Mini-Pantry to a Mini-Library for the summer. Place the donated books on the cart in the Narthex. Thank you for your support.
