Blacksburg Interfaith Food Pantry – First Quarter

During this quarter, we have emphasized the work of the Blacksburg Interfaith Food Pantry. Thank you for your contributions to the Pantry. We have completed our first purchase of 2026 of 30 cartons of soap which equates to 1,440 bars. The cost of the soap is about \$950. We will need to make 3 more purchases this year. Please consider contributing to the Food Pantry Fund by check or online.

The Pantry is undergoing some structural changes. Due to the donation of materials and labor by Baseline Solar, solar panels have been installed. They did an excellent job. This will help to lower our electrical costs. Previously the Pantry had received a grant from the Town of Blacksburg. The money from this grant had to be spent on facility upgrades. We could not spend it on food. So, we spent it on a generator to keep our frozen and refrigerated food safe if we experienced a loss of power. We also installed a walk-in freezer and refrigerator. This allows us to purchase larger quantities of food at cheaper prices. We also added another Exit door to the Pantry to streamline the shopping process. All of this was possible due to the grant and donations of labor from various electrical and building contractors.

JUST ONE CAN

Just One Can is back – March 16th - 31st. The goal is to collect 30,000 cans of food across our service area. Let’s see if Luther Memorial can collect 150 cans. Just place them in the wagon in the Narthex.

Canned tuna, chicken, fruit, vegetables, and soup are all good choices.
