This worksheet will help you begin designing your estate plan wishes.

Please know that all information provided is strictly confidential.

Once you have completed this worksheet, please return it to our office prior to your initial appointment.

What is an estate plan?

The term “estate plan” refers to the set of legal documents that anticipate and arrange for the handling of your assets during incapacity and after your death. Your estate is the net worth of your assets including bank accounts, real property, life insurance, and more.

What if I have questions about this worksheet?

We are always available to help you, so please feel free to call or email us. Additionally, more information regarding estate plan documents has been posted on our website.

What is the process of creating an estate plan?

The process begins when you complete this worksheet and attend your initial appointment. There is no cost for attending the initial appointment. At that meeting we will listen to your goals and wishes so we can present you with options and costs. If you choose to engage us we will schedule an appointment to review and sign documents that we draft for you. If you have a Revocable Living Trust-based estate plan, then we will also help you with connecting assets to the new Trust. Finally, we will organize and deliver your estate planning documents to you during your final appointment. The amount of time to complete this process will vary, and we will go at your pace.
