[A] We'll do it [E/G#] all, every [D] thing, on our [A] own.

[A] We don't [E/G#] need , any [D] thing, or any [A] one.

If I lay [A] here, if I just lay [E/G#] here*

Would you lie [Dmaj7] with me, and just forget the [A] world.

[A] I don't quite [E/G#] know how to [D] say how I [A] feel

[A] Those three [E/G#] words, I said too [D] much, but not [A] enough.

If I lay [A] here, if I just lay [E/G#] here*

Would you lie [Dmaj7] with me, and just forget the [A] world.

Forget what we're [A] told, before we get too [E/G#] old

Show me a gar[Dmaj7]den that's bursting into [A] life. pause...

[A] Let's waste [E/G#] time, chasing cars, aro[D]und our [A] heads.

[A] I need your [E/G#] grace, to remind me to [D] find my [A] own.

If I lay [A] here, if I just lay [E/G#] here*

Would you lie [Dmaj7] with me, and just forget the [A] world.

Forget what we're [A] told, before we get too [E/G#] old

Show me a gar[Dmaj7]den that's bursting into [A] life.

[A] All that I am, all that I ev[E/G#]er was

Is here in your per[Dmaj7]fect eyes, they're all that I can [A] see

I don't know [A] where, confused about how [E/G#] as well

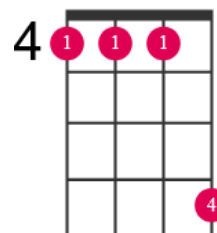

Just know that these things [Dmaj7] will never change for us at [A] all.

[A] If I lay here, if I just lay [E/G#] here

Would you lie [Dmaj7] with me, and just forget the [A] world.
