Re: Preliminary Results of Member Vote on Proposed Declaration of Covenants and Bylaws

Dear Members:

The Board has completed an initial tally of ballots received on the member vote regarding the Proposed Declaration of Covenants and Bylaws. **These figures are preliminary only.** They are being shared for transparency and **are not official, final, or binding** until the Association completes a validation and independent audit process.

Preliminary Tally (Unaudited)

Item	Preliminary Count
Total ballots received	169
Votes in favor (Y)	150 Members equaling 524 lots [524/1252 = 41.9%]
Votes opposed (N)	19 Members equaling 78 lots
Abstentions / unmarked / incomplete	297 Members equaling 650 lots
Totals for this vote	466 Members equaling 1,252 lots

Do not treat these numbers as certified results. Percentages above are calculated only from ballots received through the deadline 9/12/26 11:59pm and may change after validation. Until these steps are completed, no amendment is effective, no document is authorized for recording, and no official result should be relied upon. What is the next step? That is to be determined after these results are certified. Thank you to all members who participated in this vote.
