### Pitch from the committee

We hope you are all well and looking forward to getting out and about with the club if all goes to plan with the Governments "Covid Road Map" planned to ease Lockdown restrictions.

Provisionally, there are a few venues booked which we are looking to host following Step 2 of the "Covid Road Map" which will hopefully come into force after the 12<sup>th</sup> April 2021. We also looking to plan some extra meets this year which may sedate our yearnings for the great outdoor life.

As we mentioned in our last newsletter, we delayed the AGM last year in the hopes that by the end of February the Covid restrictions would have eased and we would be able to proceed with the AGM in the usual manner. Unfortunately, in light of the ongoing restrictions we are still not possible for us all to get together and therefore the committee have decided the AGM this year will be a closed meeting (via zoom) with the committee on the 30<sup>th</sup> March 2021.

It is really important that members should still have the opportunity to ask questions of the committee, and we invite members to submit questions via email to the secretary ([tindalljohn@sky.com](mailto:tindalljohn@sky.com)) no later than the 15<sup>th</sup> March 2021. These will be addressed by the committee and responses will be available as an appendix to the AGM Minutes.

Last year's accounts will be posted shortly on the Red Rose CC WhatsApp & on the Facebook page

Also ..... For anyone wanting to join the committee, the nomination form will be posted on the Red Rose CC WhatsApp & Facebook page – please come and help us continue to make Red Rose the successful club we have today. Any Successful candidates will be invited to join the AGM Meeting.

Please be aware the meets detailed below may change if Government Guidelines change
