Pitch from the committee

Well what a year we have had but we hope you are all in fine fettle and you have enjoyed being back out with the club

One of the casualties of the pandemic has been that unfortunately not all sites we had planned to visit have been able to accommodate us and therefore there has been some changes in venues – this may continue until the end of the season and may also effect next season – so bear with us and always check the WhatsApp group to ensure there hasn't been any changes before you set off .

Another casualty is the clubs Annual General Meeting and your opportunity to put questions to the committee. The AGM has now been planned for the end of February 2021 and any questions can still be asked by simply forwarding them to Tindalljohn@sky.com before the end of January 2021 and we will ensure they are addressed at the AGM

For anyone wanting to join the committee, the nomination forms will also be sent out in January next year – please come and help us continue to make Red Rose the successful club we have today.

Since we have been back out and about we have had some really well attended meets and we thank you all for your continued support and hope that next year we begin to see a little normality

News

We would like to take this opportunity to thank Terrance Rebanks who has been our Vice Chairman for the last 3 years. Terrance has decided to step down from the role of vice chairman but will continue to be a valued member of our club. The rest of the committee have agreed to remain in place until the AGM in February
