Thanks, From The Chairman

- 2021 has been another strange year I'm sure for everyone but here we are at the end of another very successful season. Massive thanks go out to the committee for keeping this great club alive and continuing to get us out to venues. Big thanks to all who have supported rallies throughout this year.

Membership has been fantastic as we had over 100 members, the gin festival was once again a huge success and the usual fun and games were had at Ripon races. We look forward to finally getting things back to some normality during the coming year

The committee has already started planning lots of events for 2022 and details will be on social media etc but a couple we have started to organise are the Annual Gin Festival at Chipping and the Queens platinum Jubilee and Beer Festival at Riverside Cononley and no doubt some impromptu get togethers will occur. If you feel you could help with any of these weekends as part of a working party then please grab myself or one of the committee members to jump onboard because as you know a lot of background effort goes into the organising of such events

I would also like to introduce our officers for the coming year
