HOME-BASED PROGRAMING

2009 -PRESENT

Liberated Learning Pedagogy.Children learn best when well-being, connection, and autonomy are a part of the curriculum.

ADVOCACY

2020 - PRESENT

Supporting the rights of all children to think, feel, act and *be* as a means of collective liberation

PHOTOGRAPHY

still and video documentation is used for continuous learning as well as for purposes of advocacy.

LEARNING

The children are the curriculum and their well-being, connection, safety, and growth are the only objectives.

WRITING

Is the way that I advocate for the rights of children. I will often use their daily adventures, but never violate their privacy.

HOW IT WORKS

Fill out the application and return it to kidcrewadventures@gmail.com Once confirmation is received, we will begin the intake process to get your crew member clubhouse ready! Thank you for choosing to honor children and childhood.
