

# Pink Immigration

## Our Australian Migration Services

**Pink Immigration** provides considered advice and successful migration outcomes for companies and individuals seeking Australian visas. Whilst we must perform our role with utmost professionalism and accuracy, we couple this with care, empathy, and a deep understanding of the importance of getting it right.

## Services for Employers

We undertake a collaborative approach with organisations. Our Migration Agents will work with you to develop a Migration Solution that suits your business needs. We provide a free detailed consultation and deliver an initial assessment in writing with the opportunity to talk through any questions.

01

### HR and Visa Consulting

This service is an end-to-end solution for engaging talent from overseas and compliantly delivering them to a business or project. Our service covers all aspects of recruitment, HR Strategy, Visa advice and processing.

02

### Standard Business Sponsorship

For organisations who require the ability to sponsor and employ 482 Visa holders directly, we can advise, assess and lodge your SBS application.

03

### On-hire Labour Agreement

An On Hire Labour Agreement (OHLA) allows an organisation to bypass the SBS, by deferring it to a third party. We provide businesses with an alternative way of engaging global talent.

04

### Employee Sponsorship

As a business or organisation, you can sponsor an individual from overseas in both a temporary and permanent capacity with many visa options accessible. We work with you to determine the best approach.

# Unlock the doors of opportunity...

We can help you understand all your Australian Skilled Migration Visa options.

## Services for Individuals

Individuals who wish to live and work lawfully in Australia have various visa alternatives. Assisting an individual or family through the Visa application process is one of the most intimate, caring and significant steps in life's journey. We work collaboratively with all stakeholders to determine eligibility and visa suitability. Once agreed, we prepare all required documentation and manage the end-to-end visa process.

01

### Temporary Working Visas

The 482 and the 400 Visa are pertinent for skilled applicants looking to live and work in Australia temporarily. Typically organisations select this option when acquiring specialist skills for vital projects. The 482 Visa provides a longer-term option with a potential pathway to PR. The 400 is for short-term projects. We can assist with assessing and lodging the best option for you.

02

### Permanent Residency (PR)

If you are a skilled individual wishing to become a Permanent Resident in Australia, there are many visa options available. Our Registered Migration Agents have broad experience working with Permanent Skilled Migration. We work closely with you to guide the entire process of lodging your application for permanent residency (PR).
