2023 and 2nd Annual

MT Multi Cultural Fair

Date of Entry:

Thursday, August 17th

Schedule:

5:00 PM  
Opens

8:00 PM  
Concludes

## STAMP

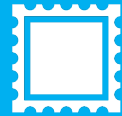

# Committee Reminders

Pack it in, pack it out. Plan a timely tear down in your area by 8:30pm.

Bring your own chairs and coolers please.

One stamp per sample. Do not provide samples without a food passport in hand.

Must wear gloves to serve food and comply with the Cascade City-County Health Department.

# Kitchen Use for Cultural Committee Food Prep

- The Times Square kitchen is available for food prep at 525 Central Avenue.
- Leave time at the end of your slot to clean up. Put items back where you found them.
- Times Square has been gracious to offer us a discount.
- Scan the QR code to view or sign-up for available kitchen slots.

# Parking Passes

80 parking passes have been secured for the 1<sup>st</sup> Ave N Parking Garage.

First come first serve for cultural committee members and volunteers.

Place the postcard in your car, where it is easily viewable.

See Jordyn Rogers, available tonight or at the Kaufman's volunteer table on event day.

# Meet the Event Coordinators

- Locate event coordinators Jordyn, Zach, or Joann in the event of an emergency.
- All volunteers must check-in with Jordyn at Kaufmans.
- Ann-Margaret and Adair will be available for volunteers who need an assignment or directions.
- Tauna is managing the stage and performance timings.

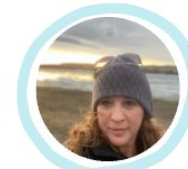

**Joann Gogo**  
MTMCF Co-Chair

**Zach Swartz**  
MTMCF Co-Chair

**Jordyn Rogers**  
Volunteer Coordinator

**Tauna Locatelli**  
Stage Coordinator

**Ann-Margaret Periman**  
4th Block Volunteer Captain

**Adair Peach**  
5th Block Volunteer Captain

# Volunteer Reminders

---

- All volunteers must check-in at the volunteer table in front of Kaufmans, 411 Central Ave

- For set-up and tear down volunteers we suggest wearing work gloves and closed toe shoes
- Suggest applying sunscreen, dress and prepare for 100+ degree weather
- Alluvion Health will be on-site for first aid needs
- Red Cross is set up next to the Kaufman's volunteer table to provide volunteers with water, juice, and light snacks

# Ongoing Volunteer Needs

Please be mindful of volunteer gaps in the following areas:

- Trash receptacles, changing out trash bags (8 volunteers needed)
- Cultural booths need help passing food to participants and replenishing ice (10 volunteers needed)
- Street tear down volunteers (14 volunteers needed)

ALCOHOLIC  
BEVERAGE  
CONTROL  
DIVISION  
MONTANA

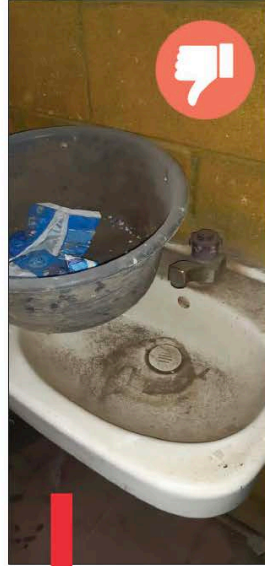

# Beer and Pepsi Stands

- Ensure participants have a wristband before serving food
- Beer and wine is \$5.00
- Soda and water is \$2.00

**Hey you! You're using a Porta Potty in a public place.... I bet you want to wash your hands when you're done, right? Luckily you can!**

But not everyone is that lucky... In Guatemala, for example, an estimated 49% of the rural population does not have access to the basic resources necessary for proper hygiene.

Organización Buenos Vecinos, a Guatemalan based group of engineers, medical workers, and all around "good neighbors", are doing something to help. With the support of Rotary International they are installing affordable, sustainable, and effective handwashing stations, known as Tippy Taps, across their country one community at a time.

Their innovative School Tippy Tap has even allowed schools in Guatemala to be able to open again amidst the pandemic, simply by providing access to hand washing.

**When you're finished in here, give the Tippy Tap outside a try. Then consider giving ROTARY a "tip" to help spread the privilege of hand washing and proper hygiene across Guatemala... and beyond.**

## A Special Cause: Tippy Taps

- A portion of beverage sales will go towards a Rotary International initiative our club supports called 'Tippy Taps'.
- 80% of human diseases are water borne and we can greatly reduce disease by hand washing and drinking pure water.
- A 'Tippy Tap' will be at the event for demonstration next to the Beer and Wine stand.

<p><b>SIMPLE</b> Understandable Technology</p> <p><b>SUSTAINABLE</b> Easily maintained and repaired with locally sourced materials</p> <p><b>SCALEABLE</b> For Home, School, Community</p>			<p>Together these can reduce common diseases by up to 85%</p>
