The image shows a visual addition problem using sheep. On the left, a box contains two black sheep. In the middle, there is a plus sign. To the right of the plus sign is a box containing one black sheep. Further right is an equals sign. To the right of the equals sign is a box containing three black sheep. Below each of these three boxes is a large, empty blue circle, connected by a line from the bottom of the box, intended for the student to write the answer to the addition problem.
