Pat Bradbury passed away peacefully after a valiant fight with her daughters by her side at Health Sciences North in Sudbury on April 17, 2021 just shy of her 81st birthday. Pat will now be reunited with her husband, Art. Cremation has taken place and the family will hold a Celebration of Life at a later date. If you wish to make a memorial donation in Pat's honour please consider The Penage Road Women's Institute. Arrangements entrusted to the Loughheed Funeral Home; messages may be sent to the family through www.loughheedfuneralhomes.com.

Property

The committee has approved the quote from Patrick Roofing to redo the shingles at the cost of \$17,225.61, south side only. We are not sure when this will begin, more information to come. We are looking into obtaining a matching grant from the United Church, Grant and loan must be in place before we secure that contractor.

The Canadian Shield Regional Council is in constant communication with Dr McCormick and Huntington University. We continue to keep the Huntington Board, Huntington Staff, Laurentian University Staff, the Federated Schools and the University Community in our thoughts and prayers during this very difficult time. We pray for staff, who have lost their jobs. We pray for the students and staff of both Huntington and Laurentian University.

The Canadian Shield Regional Council continues to have a strong relationship with Huntington and celebrate our long and continued relationship with them. The Regional Council continues to offer continual support to Huntington University during the very difficult period in the University's history."
