NYS Class is one of the largest TUITION facilities in Bengaluru, mentored by Prof. Mahesh Chandrasekhar, a senior faculty with 25+ years of academic excellence,

We have always ensured that our students are given The Best facilities and attention at all levels.

All classes are handled by well experienced faculties, in separate classrooms. No classes are conducted around dining table.

We do not mix any batches. ICSE, CBSE and STATE Board students are taught in separate and exclusive classrooms by subject specialists.

We follow doubt free teaching methods; children are given personal attention, until they are thorough with topics being taught.

Limited seat, spacious classrooms for all grades

We ensure faculty consistency throughout the academic year. Board exam focused classes are started from the day one, and a complete, two rounds of revision are provided before Board examinations.

10th standard students are provided with well designed, 2025 edition, printed practice material for mathematics and Science.

We are The ONLY exclusive training center for ICSE in North-East Bengaluru. ICSE Batches are handled by our mentor, Prof. Mahesh Chandrasekhar, an ICSE/IGCSE specialist with 10+ years of experience in ICSE classes.
