

**To Whom It May Concern,**

My name is Dustin Ferguson, and I am pleased to write this letter of recommendation for **Stephen Hecker**. I have known Stephen for one year, and during that time I have had the pleasure of working with him across several creative projects as well as witnessing firsthand his artistic skill and professionalism.

Stephen acted in or was directly involved with multiple films of mine, including *Witchcraft 17*, *Midnight 3*, and *Nemesis 6*. In every instance, he proved himself to be exceptionally dependable, prompt, and professional. His intelligence and natural creativity consistently elevated each production. Stephen brings a positive, focused energy to set, and he approaches every task—big or small—with enthusiasm and care.

In addition to his work in film, Stephen also completed a tattoo for me on my neck, which turned out to be nothing short of amazing. His artistic precision, steady hand, and creative vision were evident throughout the process. He maintains an impressive level of kindness and professionalism, no matter the environment.

Stephen is incredibly versatile, talented, and easy to work with. I would highly recommend hiring him for any position where creativity is valued. He is a rare combination of artistic skill, reliability, and genuine character, and I am confident he will be an asset to any team.

If you need any further information, please feel free to contact me.

Sincerely,  
**Dustin Ferguson**
